

Hymn choices prepared Bernadette Gasslein, Heather Reid, and Christina Ronzio. Please note that these selections are not meant to be prescriptive, but to help you in your choice of music that works for your community, with its resources and repertoire. Don't be afraid to repeat selections from week to week; consider adding just one new piece per season. Keep in mind that in July and August, people are travelling and parish musicians are often not practising (as much as at other times!) so familiar music is a wise option.
