

Hymn choices prepared by Bernadette Gasslein, Karen Koester, Heather Reid and Christina Ronzio. Please note that these selections are not meant to be prescriptive, but to help you in your choice of music that works for your community, with its resources and repertoire. Even if you don't use the other hymnals in your community, check out suggestions in the other columns; you might find a suggestion that is in "your" hymnal and that works for your parish. Don't be afraid to repeat selections from week to week; consider adding just one new piece per season. Keep in mind that in July and August, people are travelling and parish musicians are often not practising (as much as at other times!) so familiar music is a wise option. One of the characteristics of Year B is the insertion into the semi-continuous reading of Mark's Gospel of the Bread of Life discourse from John's Gospel (Chapter 6). The five Sundays (July 26-August 23) give us the opportunity to explore deeply the mystery of the eucharist, and the music selections reflect the different aspects of this mystery. It's a good time to learn a new communion hymn! You can sing it often during the summer.
